Just like your face&ndash;to&ndash;face classroom, a Virtual Classroom can be a busy place. A Virtual Classroom is private online space with the EQ servers that teachers can use to support student learning. It is accessible via the Internet, 24 hours a day, 7 days a week.

A Virtual Classroom might contain:

## Class Activities

- Discussions and chats with students, parents and guests
- Quizzes and surveys
- Homework activities and assessment documents
- Full online courses with modules of work
- Forums and synchronous chat sessions
- WebQuests, Hotlists, Scavenger Hunts, etc.

## Class Organization

- Important information for students and parents
- Calendar and timetables
- Unit overviews
- Student grade/mark book and criteria sheets
- Student homepages
- Group and individual learning activities
